

At the Cross (Love Ran Red)

There's	the cross, at the cross
a place	I surrender my life
Where mercy reigns	I'm in awe of You
And never dies	I'm in awe of You
There's	Where Your love ran red
a place	And my sin washed white
Where streams of grace	I owe all to You
Flow deep and wide	I owe all to You
Where	Here
all the love	my hope is found
I've ever found	Here on holy ground
Comes like a flood	Here I bow down
Comes flowing down	Here I bow down
At	Here
the cross, at the cross	arms open wide
I surrender my life	Here You save my life
I'm in awe of You	Here I bow down
I'm in awe of You	Here I bow down
Where Your love ran red	At
And my sin washed white	the cross, at the cross
I owe all to You	I surrender my life
I owe all to You Jesus	I'm in awe of You
There's	I'm in awe of You
a place	Where Your love ran red
Where sin and shame	And my sin washed white
Are powerless	I owe all to You
Where my heart	I owe all to You
Has peace with God	I owe
And forgiveness	all to You
Where all the love	I owe all to You
I've ever found	Jesus (oh)
Comes like a flood	Where
Comes flowing down	Your love ran red
At	Your love ran red
